

ADVENTURE CITY GAMES

TEAM BUILDING BROCHURE

Outdoor Team Building in Canada

Teams don't bond in meeting rooms. They bond outside, solving something together.

A city adventure played on your phones, in small teams, through the streets. No facilitator, no equipment, no time slot: you pick the day, we take care of the game.

Built for corporate groups

Simultaneous starts

All your teams play the same afternoon. No time slots to book and no waiting for a room: above 20 people, teams simply head out a few minutes apart, or take on different games at the same time.

Your own leaderboard

A private ranking for your group only, by team and by player, that fills in by itself as teams finish. Fewest hints wins; time only breaks ties.

10 to 200 players

From one department to the whole office: small teams, up to 20 on the same leaderboard, and each player picks English or French.

Company invoice

Every order comes with a PDF invoice, taxes itemized, sent by email. Need a formal quote first, or an invoice in your company's name? Just ask us.

How it works

1. Choose a game and your number of players online, or ask us for a quote.
2. Enter each player's name, email and language, then split them into teams.
3. On the day, everyone meets at the starting point and launches the game on their phone.
4. The leaderboard fills in as teams finish: fewest hints wins.

1 to 2 hours of play · Tickets with no expiry date · English or French, player by player · No app to install
